

Jemima will be 9 months on June 02. She is fine. So as Levi. Thanks for your prayers.

Dear Prayer partners and Church families

I am so happy to write this report. Because this month has been a month of harvest.

My trip to South India was blessed with souls coming to Christ. The Salvation camp at Home(Door of Hope Centre (May 1-4) was just exciting. Out of 18 participants (most of them are heavy drinkers)15 committed their lives to Christ. On 17 May we had a follow-up retreat for them and there were signs of changes in their faces and lives.

We will call them together once a month for follow-up and retreat. Two participants who were not successful at the camp badly longed for another camp.

Praise God and thanks to **The Fellowship Bible Church** for sponsoring the camp and also the for the upcoming VBS. We are in full swing preparing for VBS(June 16-21).

My family has gone through tough times this month financially due to lot of travels and programs. We are making drastic adjustment to pay back our debts. We go through trying times. For this , more support will be appreciated.

We are ready to launch another **Men's salvation Camp**. We need \$ 700. There are hungry souls around. If we get the sponsor door of hope will take care the rest. We also plan about women's camp, youth camp etc. Many of the churches here are too busy with church politics and buildings. Winning soul is not in the priority list any more. But Door of hope tries to rescue the perishing at any cost.

Missionary Junus Khan and his new believers are busy moving to a new location so that they can all live together for worship and safer from persecution.

The Door of hope ministry has 6 paid workers including me as director. I have two part-time coordinators, two prayer house keepers, one missionary among muslims. Their monthly salaries are shared from my monthly support. At time it is trying of my soul as father of a family and ministry team leader.

- ★Please continue to pray for these new believers and dohope workers.
- ★Fund for another Camp and more camps can be held to save the lost.
- ★My family financial dues and burdens.
- ★ Our spiritual life and our faith journey in this uncertain and unfriendly world.

We are eternally thankful for your supports and prayers!

In His Service.
