

Dolink's Corner

Hello Dear Praying Friends,

We write again to tell you about our move to Merrill Gardens retirement facilities for independent living.

Our new address is:

Merrill Gardens
2860 Country Dr., Apt. 246
Fremont, CA 94536

This is quite different from living in an RV. The residents are very friendly and many are believers. Meals are served anytime between 7 am and 7 pm. There's even cleaning weekly with a change of linen and laundry. It's a dream come true. Our family plus a couple of pastors have been trying to get us to move here. Finally, I was so worn out I was convinced we needed to move here. The family promised to pack us up and move us in and put our RV on sale. We still owe money on it besides having to store it. If you know of anyone interested in buying a Phaeton RV, please contact our kids or us.

While I was packing up our stuff in Titus' garage into our car, Pastor decided to get himself to the car and he fell on the concrete ground and bruised himself. I didn't notice he was bruised badly till a day later when he could not stand or walk. Our doctor Emily Kim said

to take him to emergency, which I did, and they discovered he was anemic for he had been bleeding and lost a lot of blood. So they gave him a pint of something to stop the bleeding and 2 pints of blood transfusion on top of that. He stayed in the hospital for 3 days. Later, while scanning his eyes it was discovered there is bleeding in the left eye and he could not see out of it. Kaiser gave his eye a shot and now we are waiting to see if it will help his eye. All this happened when we just barely moved in. I discover living by myself and eating by myself is no fun at all.

One other kindness of our God just took place today. Susan and Clifford Chang drove over his motorized scooter to give to Sen to use for as long as he needs it. We have been praying for one for a while. Thank God for His generous servants.

I guess you know how many prayers we need now. We have heard how so many of you are praying for us and we are very grateful as we are aware of God's intervention in our behalf continually. We pray too that God is keeping you and yours walking in the center of His will as we continue to serve Him as He gives strength.

Pastor Sen and June
